

# Your Agency could win a patrol car in the **LAW ENFORCEMENT CHALLENGE**

**T**raffic crashes are the leading cause of death and injury to Americans under the age of 35. The most effective way to save lives on Michigan roads is to increase safety belt use and decrease the number of alcohol-related traffic crashes. The Law Enforcement Challenge is an incentive program to encourage law enforcement agencies to promote traffic safety several times throughout the year.

## *THE CHALLENGE IS EASY TO ENTER.*

- 1) Fill out the form to pledge your support to fully participate in all three enforcement mobilizations in the FY2005 Law Enforcement Challenge.
- 2) Within five days after each mobilization concludes, fax the agency's traffic enforcement results to OHSP at 517-333-5329.

## *IT'S EVEN EASIER TO WIN!*

### **THREE INDIVIDUAL STATEWIDE CHALLENGE OPPORTUNITIES:**

An agency can win a grant valued up to \$5,000 for the purchase of traffic safety equipment or overtime at the conclusion of each of three mobilizations.

### *TO BE AWARDED IN OCTOBER 2005:*

#### **REGIONAL CHALLENGE OPPORTUNITY:**

Your agency will also be eligible for a \$10,000 regional and \$35,000 grand prize as long as enforcement statistics for all three mobilizations are reported *and* additional specific criteria are met.

#### **GRAND PRIZE CHALLENGE OPPORTUNITY:**

One grand prizewinner will be selected from the Regional Winners to receive a grant to purchase a fully equipped police vehicle or other traffic safety equipment.

***All awards will be reimbursement grants and must be submitted electronically.***
